Pinnacle Career Resources to Continue Community Employment Project

Columbia, Maryland, October 20, 1999-Pinnacle Career Resources Inc. has received a contract from the Howard County Office of Housing and Community Development to continue the Employment Connection Project. The company successfully designed and administered the project last spring, aiming to empower low and moderate income residents in Howard County to attain self-sufficiency through employment. Seventy five residents were assisted in finding jobs. With renewed funding, Pinnacle can continue using their unique integrative approach to give individual the skills needed to obtain good paying jobs in today's workplace.
